No Products Found. Okay to proceed with sale.

If product is found as flagged as stolen, this message STILL displays, and the transaction can proceed.

Email and SMS alerts are fired (secretly) to the local area command to alert of transaction taking place.

Shop owner at no time is aware that the goods are stolen, in order to protect their own safety.

Alternatively, this check on the goods can be completed POST transaction.

Shop unique identified also sent so Policing authorities can pinpoint via GPS exact location
